Players will face never-before-seen enemies, against which Nemesis looks like a kitten. You'll want regular Resident Evil zombies! Add mod Mods.exe.zip /ResidentEvil2.ResidentEvil2.Ru.zip [4.27 GB]. After downloading the file, close the game. After installing the mod, go to the bin/ReaperLoader.exe folder and start the game using the mod. Attention! Do not start the game with the mod if you have not installed the mod (otherwise your game may not start). When using a mod, it is recommended to disable the mod if you really need it, and the game with it will slow down. If after installing the mod the game slows down, you can use another mod (ResidentEvil2.Ru.
