Highlights

- Unleash Demon Potential - Do battle with heroes within your party in the middle of battle. Protect yourself from being defeated by embarking on "Demon Grip" or purposely losing in battle and revive your character with "Temporary HP Regeneration" using their Demon Potential meter. You must be aware of your party's current condition at all times and select a course of action.
- Dramatic New Options - Unleash new strengths from your character with "Buff Character Growth" and new attacks with the Auramarte faction's Gust. Use unique new options like Crowarm to help you overpower enemies.
- Learn Magic - Learn and cast a variety of advanced attacks through character growth. As your character develops, you'll acquire mystical afterimages that allow you to evoke arcane magic.
- Awakening Caster - Summon a powerful ally by overloading a fairy and fuse your fairy with them in order to give it an awakening effect that increases its level. You can fuse four different fairy types with one fairy at a time (except for blocking, healing, and summoning).
- Paladin Awakening Attack - Prevent enemies from escaping or locking blades with one of the paladin's new powerful devastating attacks.
- Champion Awakening Attack - Strengthen the bonds with comrades with a crucial awakening attack.
- Dragon Tamer - Summon a powerful dragon and use its attacks in battle.
- Chromoteir - Set a metamorphosis seal on a monster in your party to evoke it. This will amplify the power of the monster slightly.
- Blue Bow - Create bow- and crossbow-type ranged weapons with bow attacks. While possessing the bow form, you can also create more powerful bows.
- Beast Killer - Unleash the power of your animal form and give new breath attacks to your party.
- Gale Rush - Acquire the form of a

Wed, 01 Oct 2016 19:24:00 +0000 29 Sep 2016 21:32:41 +0000 I talk about a lot of stuff. At least once a week. Maybe once a day, even! I suppose that translates to about twice a month. So, how am I on a news blog after years of politics? Economically, we need to refocus and bolster the economy. For years, the US and world economy has leaned toward corruption. Corruption is problematic. The world economy is slowly recovering. So. Be honest. How likely are you to pay attention to something if it's on a blog? Let's cut out the BS and just be honest. Read the news. Read the blog. Watch the news. Follow the blog. This is a public service announcement. This is for you. This is for internet media

"Valve employees will tell you that freedom of speech is a good thing, no matter what you think. They will also tell you that product integrity is even better, and without that, free speech is not so very meaningful. What they will not tell you is that each of us has a responsibility to promote the freedom of speech for our own side of this argument, especially in the service industry, as an employee. And so it is only proper to point out that the Steam Spy Vulnerability is a direct violation of Valve's own anti-cheat policy and that of the industry as a whole. It is also a violation of their own Official rules. Notice the words marked in yellow. They start from Valve's Official rules, follow the link "MORE" and proceed to Valve's Anti-Cheat policy."
