

DEEMO-Reborn-Prime Pack II is a form of DEEMO-Reborn-Prime Pack. The technical things with DEEMO-Reborn-Prime Pack are almost the same, but we do not include a Metal song. Even though the song isn't Metal, the difficulty is very hard, however, we are still able to make it easier. If you want to have a DEEMO-Reborn-Prime Pack that has Metal, please use the DEEMO-Reborn-Prime Pack I instead. About DEEMO-Reborn-Prime Pack: DEEMO-Reborn-Prime Pack is a form of DEEMO-Reborn. We support up to four Metal songs, however, we could not find Metal songs that has high ratings for them. We will release more Metal songs if we find them in a future. DEEMO-Reborn: DEEMO-Reborn-Prime Pack is a form of DEEMO-Reborn-Prime Pack that has Metal songs, and other songs that have very difficult charts. Because the songs in the DEEMO-Reborn-Prime Pack has high difficulty, we decided to make it easier than the DEEMO-Reborn. Because it has Metal songs, people who like Metal may want to use it. We are also able to add more Metal songs from Metal songs that were released in the DEEMO-Reborn-Prime Pack, but we would like to make a new form of Metal songs that has a very difficult charts. Metal songs with high difficulty ratings are rated 16 or higher. We will continuously add more Metal songs for DEEMO-Reborn-Prime Pack. If you think we should add more Metal songs, please let us know. We're also happy if you would like to leave feedbacks for the DEEMO-Reborn-Prime Pack. Thank you. DEEMO-Reborn-Prime Pack: Thank you for playing!

**What's new in Mountaineer:**

District, Fujian Shanhe District () is a city district (district) of Zhangzhou, a prefecture-level city in Guangdong province, China, bordering Fujian province to the north. During the Ming dynasty, the city of Zhangzhou was known as Jingde (). It is one of the oldest and most important cities on the middle reaches of the Min River (Slavonic: Yugra), on the trade route from the capital Nanjing to the port of Jiangmen. History Ming dynasty In 1631, in the late Ming dynasty, the city of Zhangzhou went through a disaster. Due to war, enough foodgrain to feed the people was insufficient. When the Northern Ming Empire collapsed, hundreds of thousands of people starved to death. 1683-1684 Silk Road massacre Zhangzhou was sacked by the Qing dynasty in 1683, but was able to regroup and fought back the Qing dynasty during the 1683-1684 Silk Road massacre. Modern era It was part of the Nan'an and Longhu Factories during the Qing dynasty. In 1907, the Eight-Nation Alliance troops led by occupied and set fire to the Longhu Factories. Zhangzhou was subsequently claimed by the government of the Republic of China as one of the cities belonging to the Province of Jiangnan since 1928. In 1953, during the Great Leap Forward, a small-scale nationalization, about 360,000 people were forced to move to rural areas, including about one fifth of the local Han people. In 1959, Zhangzhou got its first high school. In the 1980s, public education was stepped up by the government. In 1985, Zhangzhou won its first gold prize in the Zhongguo Shehui Kexue Bowuguan (Chinese Society for Social Sciences) Essay Campaign over "A Study of the Commercial Sectors in the Qing and Ching Provinces Regarding Trade Goods" (中国社会科学). In 1992, the famous Yuehua crater in Yanan County, Zhangzhou was discovered. It became an important tourist attraction. It was regarded as one of the significant local environments among China. In 1999, Zhangzhou was upgraded to a prefecture-level city. Geography Shanhe District is currently the most important city
