## Gandhi Nehru Tagore Spectrum Pdf Download

these three books by gopinath pillai, are an important part of his life and his struggle for the freedom of india. they have helped me to understand more clearly the goals and motives of gandhiji and other freedom fighters. gandhi's first world war writings are addressed to people in india. he writes about the need for establishing civil administration, educating the masses, eradicating poverty and finding a solution to the problem of untouchability. he writes that he is aware of the fact that there are many, very rich indians who have been supporting the british because they know it is in their interest to do so. he states that he does not want to speak in the name of other indians who have not spoken out because they are afraid of being considered anti-british. he writes that the indian people have been passive and have been facing severe oppression. he writes that the british are exploiting the india of today, and they are doing it with the help of the indians. the

---

people of india are helpless and silent, and there is no one to call upon to save them. he writes that the indian people need to take some bold decisions. he asks all indians to unite and work together to achieve independence. he says that to achieve independence, the indian people will have to be united, and there will have to be a common cause to achieve independence. he appeals to the indians to take pride in their past and to start the process of reconstruction. he says that india has all the requisite skills, science, technology and knowledge to achieve independence. he writes that the indian people should have faith in the institutions and institutions in place. he also writes about india and its history. he writes that there are many people who think that india is not capable of achieving independence. he says that india is capable of achieving independence and has the requisite means and skills to achieve this. he calls upon the indians to set up factories and businesses to provide employment to the people. he writes that the indian people should not just

---

talk of independence but also do something to achieve this. he states that if the indian people are united, work together, and take bold decisions, they will achieve independence. he writes that the only way to achieve independence is to work together and to realize that the fight has only just begun. 5ec8ef588b
